These errors were corrected after the original publication of the catalog and any addendums. We make every effort to correct errors as soon as they are found. The corrections below were updated on the dates noted.

- 08/16/2023 ETH 104 Introduction to Native American Studies was listed under the social sciences area for both the CSU GE and VVC GE pattern. This course is not approved to count in either of these areas at this time.
- 08/25/2023 The Liberal Arts: Social and Behavioral Sciences, AA does include ETH 101, ETH 102, ETH 103, ETH 105, and ETH 106.
- 09/22/2023 IGETC ([https://www.vvc.edu/sites/default/files/2023-09/2023-2024\\_IGETC\\_09\\_22\\_2023.pdf](https://www.vvc.edu/sites/default/files/2023-09/2023-2024_IGETC_09_22_2023.pdf)) now requires Area 7 - Ethnic Studies, and has reduced Area 4 - Social and Behavioral Sciences by one course. This is in accordance with IGETC Standards version 2.4 and guidance from the CSU System Office (<https://www.vvc.edu/sites/default/files/2023-09/ImplementationGuidanceforCSUIGETC.pdf>). Students who started at a California Community College in fall 2023 or later, must complete an Ethnic Studies course for full completion of IGETC. Students who began prior to fall 2023 are not held to this requirement.
- 10/09/2023 Office Services Certificate of Achievement program code was incorrectly listed as OFFSVS.CERT. It has been updated to the correct code, BET.OFSE.CA.
- 10/20/2023 The Helendale Independence Charter Academy and Apple Valley Adult School locations were left off the Campus Locations and Services (<https://catalog.vvc.edu/about-vvc/campus-locations-services/>) page.
- 04/16/2024 Respiratory Therapy, AS and Respiratory Therapy Certificate of Achievement require one course from VVC GE Category V Mathematics (any course on the list). Previously only MATH 105 was listed.
