## Early Childhood Education, AS-T

**State Control Number:** 31802

**Program Code:** ECDT.AS or ECDT.IGETC.AS

**Approved for Federal Financial Aid:** Yes

The Associate in Science in Early Childhood Education for Transfer degree is to prepare students for transfer to the California State University system. The Victor Valley College (VVC) Child Development Program has is aligned with the state-wide early childhood Curriculum Alignment Project (CAP); providing students a discipline-wide accepted core of eight quality courses that lay the foundation for transfer into upper division programs in Child Development, Human Development, Early Childhood Education and related majors. This TMC degree is in full alignment with our existing AS in Child Development degree and will provide an additional option for those students desiring to transfer to a CSU.

To earn this degree complete the major coursework listed here with "C" grades or better and the following graduation requirements: 60 CSU transferable units; either the CSU General Education (<https://catalog.vvc.edu/degrees-certificates/csuge-breadth/#csuge>) or IGETC (<https://catalog.vvc.edu/degrees-certificates/igetc/#igetc>) (for CSU or UC) pattern; and a 2.0 minimum overall CSU GPA. Courses used in the major may also be counted in the general education areas. Courses used for this major may also be used to earn other degrees at VVC.

## Elementary Teacher Education, AA-T

**State Control Number:** 42301

**Program Code:** ETET.AA or ETET.IGETC.AA

**Approved for Federal Financial Aid:** Yes

The Associate of Arts in Elementary Education for Transfer (AA-T), also identified as the Elementary Teacher Education AA-T Degree, is designed to provide lower-division coursework for the students to develop depth in content area subject matter requirements for teaching at the elementary school level. As a result of successful completion of coursework leading to Elementary Teacher Education AA-T Degree, the student will gain the knowledge and foundations of the established and recent theories of child development and will be able to apply human development theory to observation and have the opportunity to participate in practice in supervised fieldwork in kindergarten through eighth-grade settings. The successful student will analyze and engage in critical thinking about the teacher's role in early learning and development settings. The Elementary Teacher Education AA-T Degree is designed to prepare students for a seamless transfer from community college student status with an Associate Degree in Elementary Teacher Education to the California State University (CSU) System. In addition, the option to major in either a General Track Liberal Studies Program or an Integrated Liberal Studies/ Multiple Subject Teaching Credential Program.

To earn this degree complete the major coursework listed here with "C" grades or better and the following graduation requirements: 60 CSU transferable units; either the CSU General Education (<https://vvc-curr.courseleaf.com/degrees-certificates/csuge-breadth/#csuge>) or IGETC (<https://vvc-curr.courseleaf.com/degrees-certificates/igetc/#igetc>) pattern; the Basic/Golden 4 requirements; and a 2.0 minimum overall CSU GPA. Courses used in the major may also be counted in the general education areas. Courses used for this major may also be used to earn other degrees at VVC.

## Level I: Associate Teacher Certificate of Achievement

**State Control Number:** 04968

**Program Code:** CHLD1.CERT

**Approved for Federal Financial Aid:** Yes

Having this certificate will allow an individual to meet the requirements for work in the majority of "private" (Title 22) early childhood programs. If a student wishes to work in "state and federally" funded programs (i.e. Head Start and CA State Preschool), they must obtain the Associate Teacher "Permit" from the office of California Teacher Credentialing. Students must meet the following two requirements to obtain this state issued "permit": 1) Meet all "educational" requirements (this "certificate" satisfies all "educational" requirements for the Associate Teacher Permit). 2) Satisfy an "experience" requirement by completing 50 days of experience (of 3 or more hours per day) within the last two years. Note: While the VVC certificate does not satisfy experience requirements; students obtaining an AS Degree in Child Development are exempt from documenting the 50 days work experience.

**CHDV 138 Work Exp Education Child Development (1-8 Units)**

Work Experience Education is a key element of Victor Valley College's comprehensive approach to career development. Work Experience Education is a 16-, 12-, or 8-week course that enables students to receive college credit for paid or unpaid work opportunities. This course helps students gain valuable on-the-job work experience while providing practical education, best practices in professional development, and academic guidance through the course of their work opportunity. The combination of practical experience and curricular development empowers students to be more competitive, efficient and valuable employees upon completion of this program and/or their academic program trajectory. The course is ideal for students who are cross-training at their current worksite for upward mobility or seeking career changes, as well as those looking for entry-level occupational training through work-based learning experiences such as through an internship. Work Experience Education transforms community businesses, industries, and public agencies into expanded educational training laboratories. Credit is awarded on the basis of learning objectives completed and the number of hours the student trains. Students must create/complete new learning objectives each semester they enroll. Students may utilize their present work sites. More details are available in the Work Experience Education Office, (760) 245-4271, ext. 2281. The office, located in the Academic Commons, is open Monday-Thursday, 8:00 a.m.-1:00 p.m., 2:00-6:00 p.m., and by appointment. ## Program Learning Outcomes

Program Learning Outcomes (PLOs) are statements of the kind of learning a program hopes a student will achieve. The PLOs describe the knowledge, skills, problem-solving, communication and values that apply to all certificates and/or degrees within that program.

Upon completion of this program, students should be able to:

1. Integrate knowledge of the needs, the characteristics, and multiple influences on development of children birth to age eight as related to high quality care and education of young children.
2. Design, implement, and evaluate environments and activities that support positive, developmental play and learning outcomes for all young children.
3. Apply effective guidance and interaction strategies that support all children's social learning, identity, and self-confidence.
4. Develop and implement strategies that promote partnerships between programs, teachers, families, and their communities.
5. Apply ethical standards and professional behaviors that demonstrate understanding and knowledge, deepening the commitment to the early care and education profession.
